DEDICATION

We the class of '42 dedicate this album of memories and pictures, our final accomplishments, the Casmirecho, to one so dear to all of us, our home-room teacher, Sister Mary Liliose. Her efforts to make our Senior year THE perfect year will be remembered forever.

We choose this modest way of expressing our thankfulness and appreciation for all her patience, understanding, thoughtfulness, and the advice she passed on to us.

Miss Hall

We pause just before we begin the annals of our class. We want to record something here. It is this:

—to express publicly our grateful love to Our Dear Parents, who have made it possible for us to come happily to this first goal in our lives. More than anyone else, they today deserve to be remembered with loving gratitude,

—to recall with heartfelt thankfulness all of our Priests, and our teachers, The Felician Sisters, who have given us four years of their devoted service.

MAY GOD BLESS THEM ALL!

PROM

On the night of January 24, thirty-nine proud Seniors marched into the beautifully decorated auditorium of St. Casimir High. The American flags and the statue of Our Blessed Lady of Victory under an archway of lights were the outstanding features of the whole setting. The Prom being so close after the event of Pearl Harbor, we dedicated it to Our Lady Of Victory. Each one of our guests were given a blessed medal of Our Lady as an appreciation for their presence.

The girls were dressed in flowing gowns of white and the boys in their tuxedos. What a beautiful picture this whole scene made with the title, "Under The Stars and Stripes" adding the finishing touch. They danced to their hearts' content to the music of Eddie Casper and his orchestra.

The proceeds from the Prom enabled us (Class of '42) to purchase two laboratory tables.

ANNUAL SENIOR PLAY

Our Senior Play, entitled "Here Comes Charlie", took place Sunday, April 26. It was a three-act comedy and was enjoyed immensely by everyone who saw it.

The cast consisted of the following:

Charlie Hopps, Virginia Borowska

Larry Elliott, Bill Kubik

Uncle Aleck, Chester Kolodziejczyk

Mrs. Farnham, Irene Wisniewska

Vivian Smythe-Kersey, Frances Popowicz

Mortimer Smythe-Kersey, Ray Bojnowski

Nora Malone, Genevieve Bem

Ted Hartley, Dennis Strzalkowski

Officer Tim, Tony Niedzwiecki

Mrs. Smythe-Kersey, Loretta Kochanska

AFTER SCHOOL DANCES

The only time the students made no fuss about staying after school was when we had an after school dance. We danced to the music of the best known orchestras—through the PA system.

The wallflowers of the Freshmen year turned out to be rug-cutters in the Senior year.

These dances provided us with enough practice and entertainment.

VARSIITY

A group of athletic minded boys formed our team, with their hearts set toward the highest goal possible. Although they did not bring home any Championship trophies, their name will remain in the golden book of sports at St. Casimir High School.

With the splendid coaching of Fr. Pete, these youths set their hearts on the Bishop Wozni'cki Trophy. Lady Luck was against them and their hopes were crushed. A trifle downhearted but not by any chance discouraged, they set out to win the Third Division City Championship. Here they encountered a few obstacles, which they could not overcome. The other team by luck managed to defeat us and again our dreams were shattered. And now comes the final chance to make amends for the past defeats. This time more experienced, still hoping, and very confident, they set out to win the Regional-State Championship. The first two games were successful; the third, a vague memory, now closed the season with the last opportunity gone.

The only trophy they will leave to the school is the memory of the many exciting games they played. Their opponents won't forget them, their fans will remember them, and they will have a special place in the minds of all the graduates of '42.

INTRAMURALS

Our Intramurals' basketball team did wonders. In the Freshmen year we were just learning how to play, we were only beginners. In the Sophomore year we gave the other teams competition, but reached the goal in the Junior year and remained there through the Senior year.

These games besides bringing us a trophy were good training for true sportsmanship.

VOLLEY BALL

Another sport that is greatly enjoyed is volley ball. It originated in our Sophomore year and has been played ever since, whenever the weather permitted, by both the boys and girls. Besides winning the Volley Ball Trophy in our Jr. year, the game itself was loads of fun.

ASSEMBLIES

These meetings were looked forward to with anxiety. They gave us an opportunity to gather in one place at least twice a month. The two outstanding—such were the Catholic Action Meetings and the General Assemblies. No one would think of missing the lectures given by the professional speakers, missionaries or even our schoolmates.

CATHOLIC ACTION MEETINGS

The Catholic Action Meetings held every month include the business of the Sodality, Holy Name and C.S.M.C.

Our Sodality of the B.V.M. was organized in the Freshmen year. We were fortunate to be one of the first to be admitted into the Sodality. We'll never forget the day we took our pledges on Dec. 7, 1938 with Fr. P. Wyrzykowski acting as moderator. Since then, whenever Freshmen were admitted into the Sodality we have renewed our pledges.

The Jr. Holy Name was also reorganized in 1938. The boys were admitted into the Holy Name society about the same time the Sodality held its reception. Their aim is to respect and promote the Holy Name of Jesus. After four years of such training it has become a habit with the boys and they can be expected to continue this habit for life.

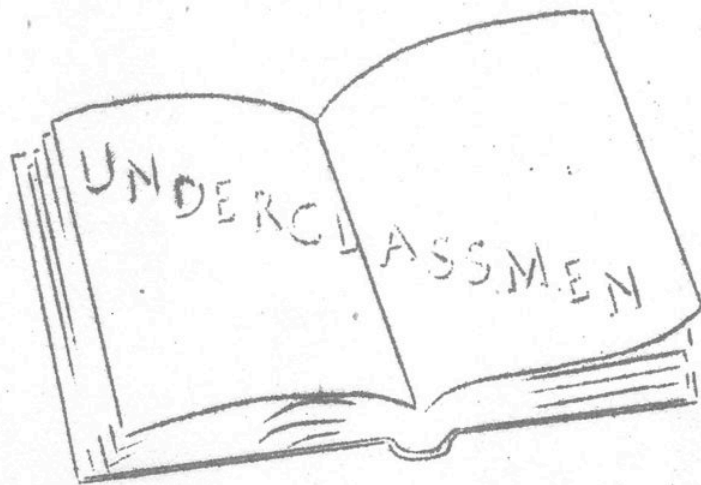

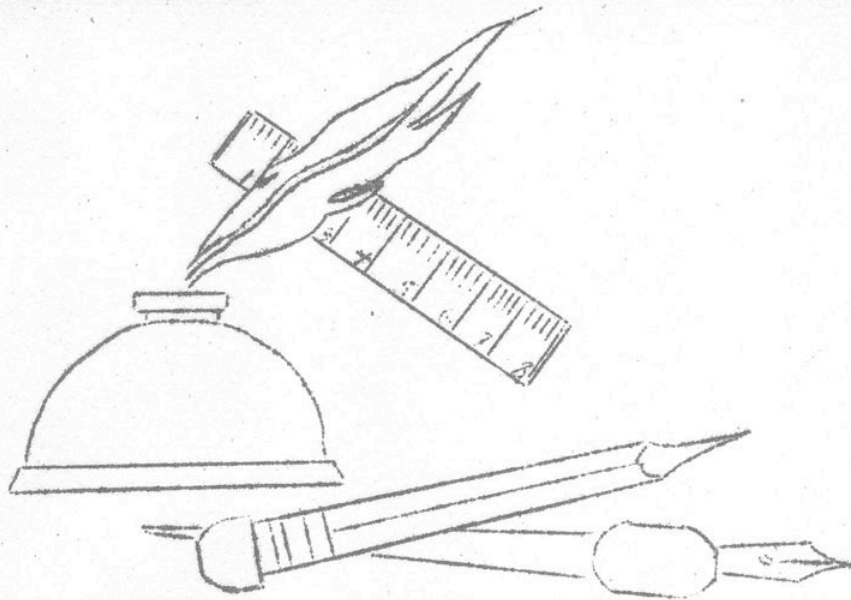

As Juniors we became very active C.S.M.C. members. Lillian Sitko attended the C.S.M.C. Convention held at Rochester, N.Y. June 27-30. For this she was awarded the Paladin Jewel. As a whole we were always ardent missionaries. Our contributions headed every report in the four years. We hope too that our ransomed baby, Agnes Marie, comes to know one of us personally some day—a real missionary from the Class of '42.

THE CASMIRETTE

The Casmirette has been edited monthly, since the class of 1936. Every year something new has been added and we are proud to say that we have made it an eight page paper. This was made possible by the endless efforts of our staff. We Seniors of '42 have done all in our power to continue the work of the originators and we hope our followers will do the same.
