The 1955 Casmirecho
presented by
The Students of
St. Casimir High School
Detroit, Michigan

Foreword

The 1955 CASMIRECHO, a memoir of our scholastic and social achievements, we, the seniors, present to you, dear friends, for your inspiration, future reference, and information. Armed and equipped with ethical, social, and economic principles, we stand boldly on the threshold of our ideals . . . perfect happiness. As members of society - the FAMILY, the CHURCH, and the STATE - we will uphold and defend the basic natural rights of every individual, that the dream, the hope, and the prayer, which are the foundation of OUR NATION may live and continue to live forever.

May the thoughts scattered throughout this book, challenge you to live a life of responsibility to your fellowmen and to yourself, and in doing so, help you to look toward the promise that the future holds for all who treasure knowledge, wisdom, and truth.

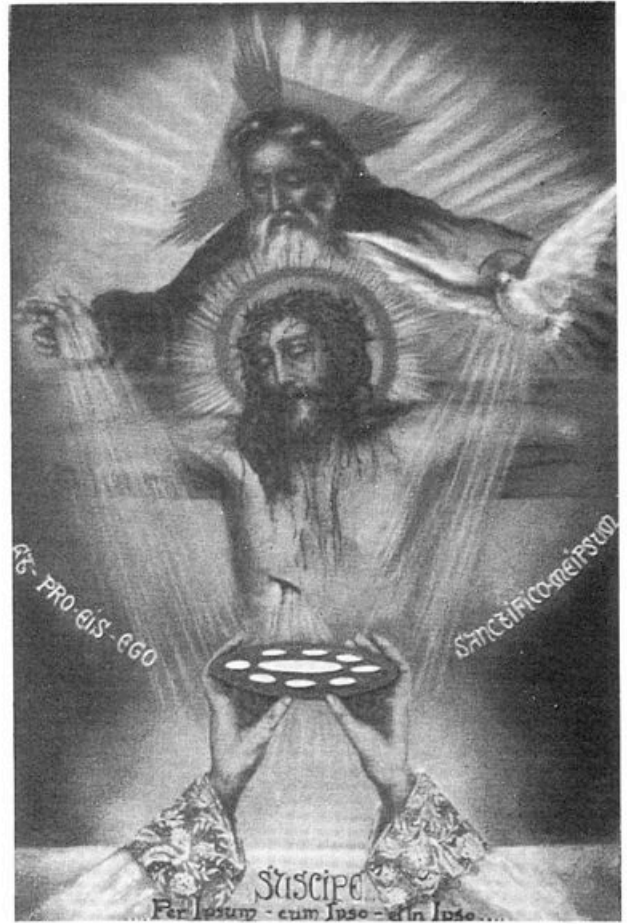

Dedication

To the FELICAN SISTERS of the THIRD ORDER of ST. FRANCIS, in recognition of the untiring efforts and of the dauntless spirit . . . the lofty ideals and fine example . . . the numerous sacrifices and kind advise for our spiritual and temporal welfare, on the occasion of the CENTENNIAL of your CONGREGATION, WE, the SENIORS of ST. CASIMIR HIGH SCHOOL, Detroit, Michigan, LOVINGLY DEDICATE THE 1955 CASMIRECHO.

Administration

Sr. M. Clementine, the Principal, labored fruitfully for our practical as well as for our spiritual education. Religious ideals, a genuine interest in others, a spirit of friendliness, and a code of conduct, all these, the basis of correct attitudes and ideals, set before us by her as our counselor, will determine the course of our religious, social and national future.

Heaven and Its Joys

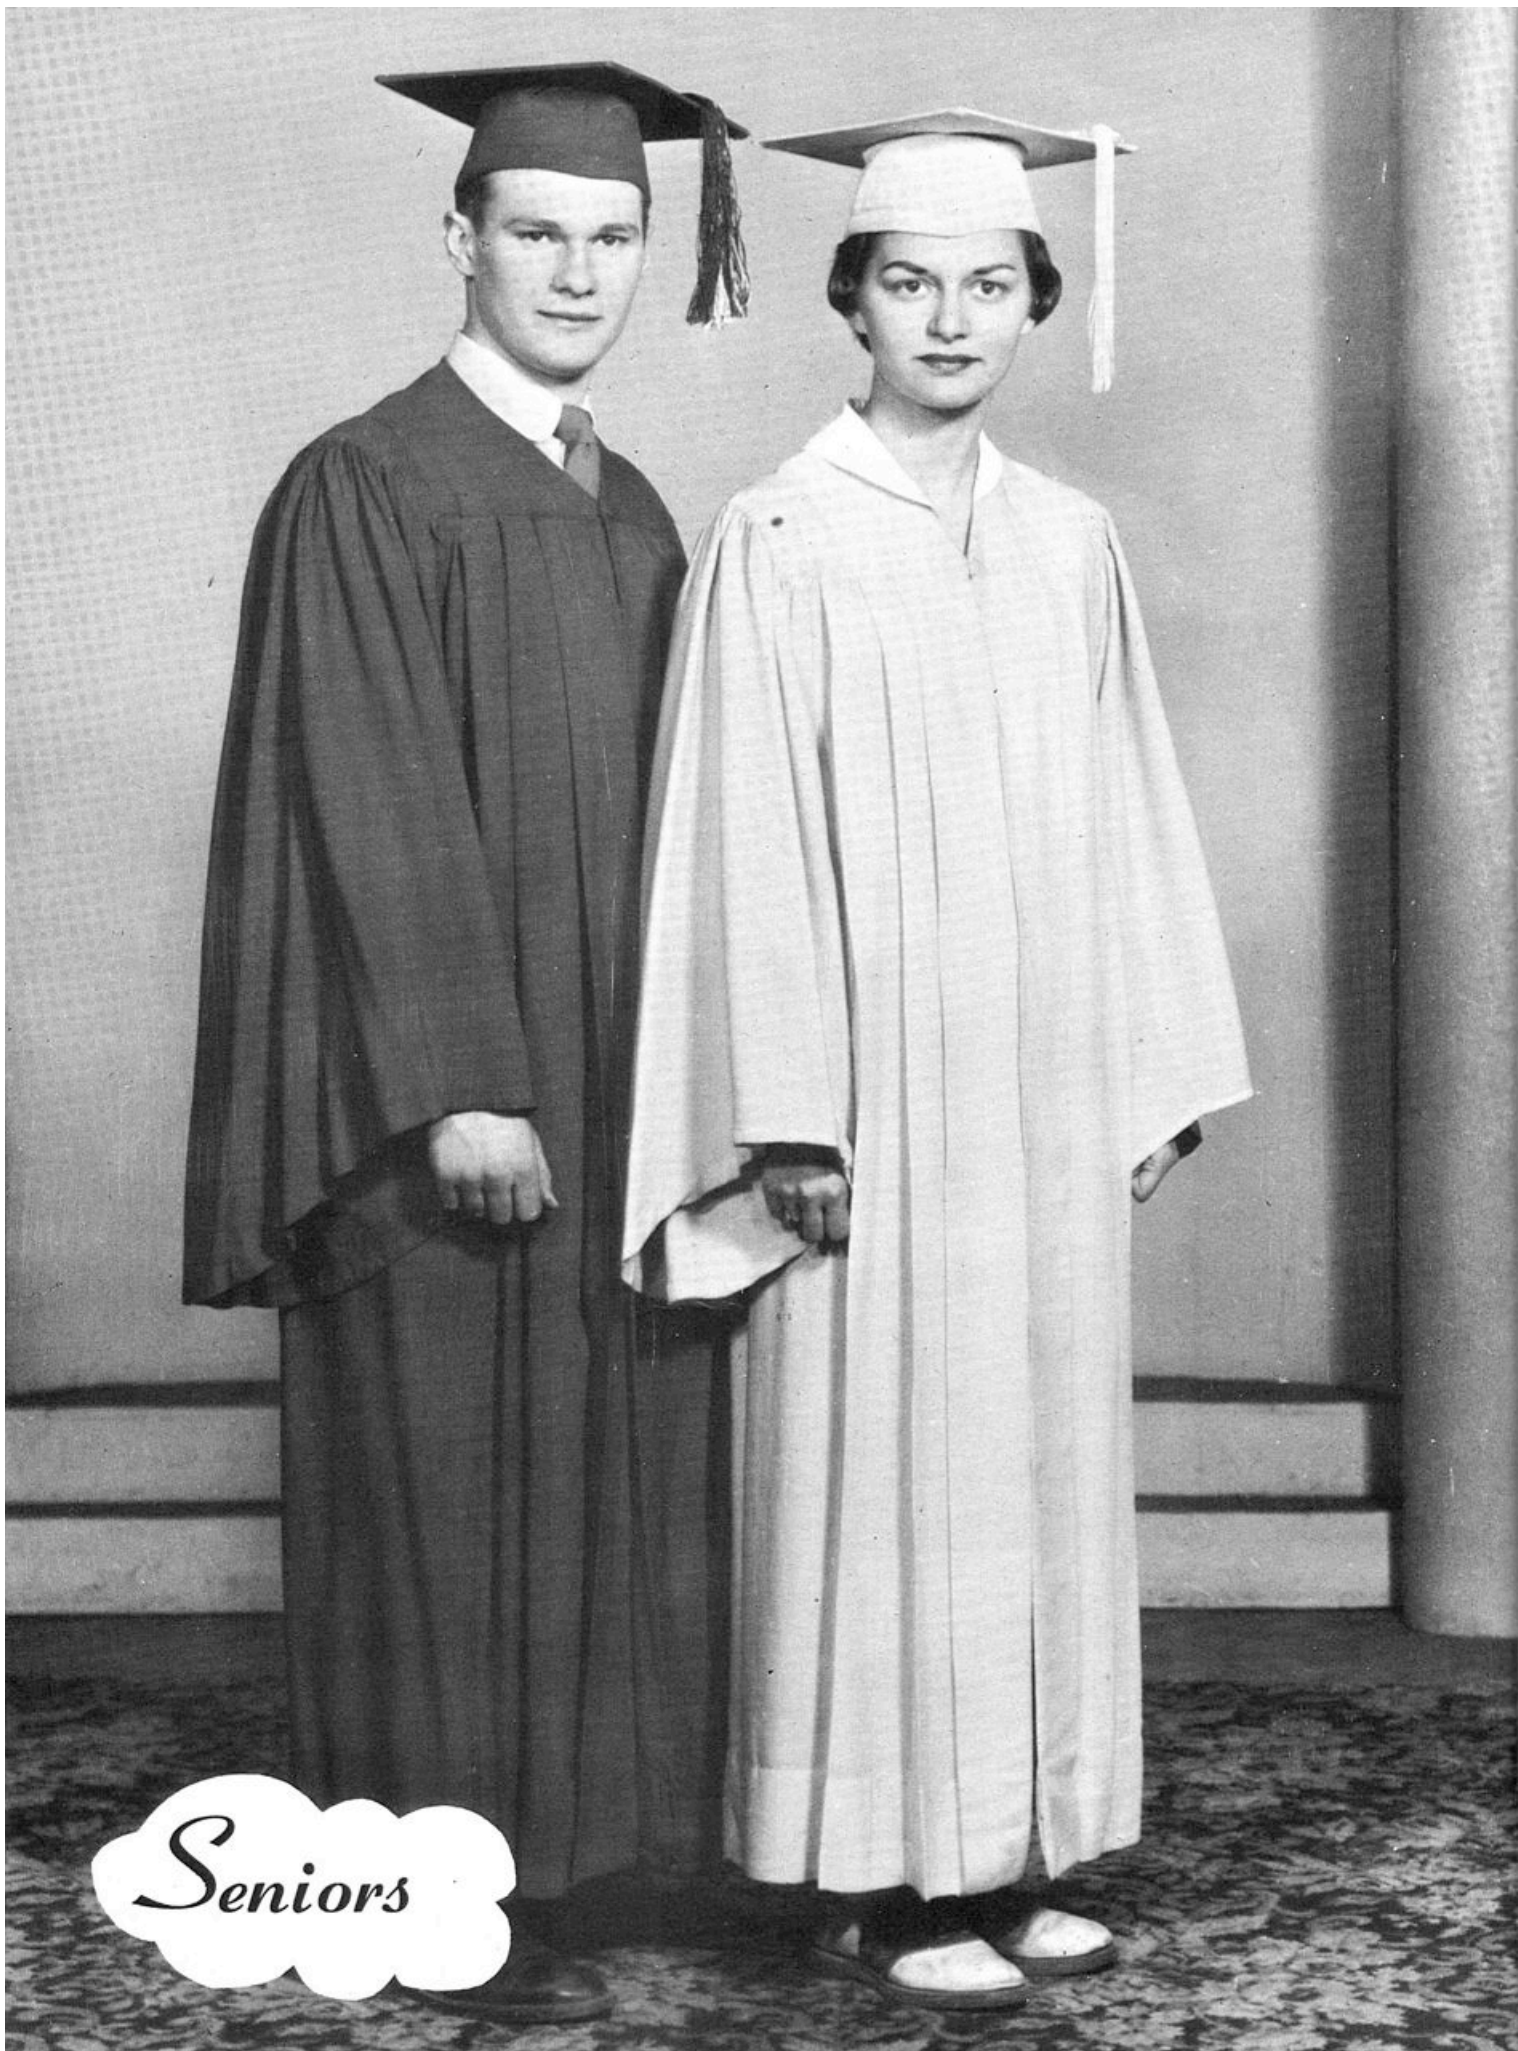

In Union

With the Divine Guest

Could He His Godhead veil with
flesh and blood,
And not veil these again to be
our food?
His grace in both is equal in ex-
tent;
The first affords us life, the
second nourishment.

GAS SERVICE SINCE 1851

Gas service was first provided for Detroit users back in 1851. At that time only a few homes were lucky enough to receive the wonderful, new "illuminating gas" to replace kerosene lamps.

Today we are serving more than three-quarter million customers in Detroit and Michigan. And the natural gas provided is used in a great many ways . . . for cooking, water heating, refrigerating, incinerating, clothes drying, and house heating. Industry uses gas in a variety of processing operations.

We plan continually for the years ahead in order to provide an adequate supply of gas for the needs of the communities we serve.

SOME JOBS ARE WORTH CHEERING

Take the Telephone Company, for example. Anyone who works for Michigan Bell will tell you it's everything a girl could want in a job.

First, you don't need any experience. You learn your job on the job, and earn a good salary while learning. Raises are regular and frequent. Your income is steady, you can always count on it and you get annual vacations with pay.

Another nice thing about telephone work is that you'll associate with people your own age, just out of school, too. You'll work in clean, bright, pleasant surroundings. Whether you prefer to start as a telephone operator, a teller or a clerk, you'll find opportunities for advancement.

We'd like to tell you more about these and other interesting telephone jobs. Visit us soon, won't you?

MICHIGAN BELL TELEPHONE COMPANY

"A FRIENDLY PLACE TO WORK"

Something to remember . . .

Edison will help you . . .

- Plan your kitchen
- Select your lamps
- Do the laundry easier

- Plan a menu
- Plan a one-dish meal
- Preserve foods easier
- Plan party refreshments

One of these days, perhaps very soon, you'll be starting a home of your own. When that time comes, look to the trained young women in the Home Service Division at Detroit Edison. They can help you solve many of the homemaking problems that frequently puzzle a new bride.

Without charge, they will answer your questions over the telephone . . . send booklets and folders . . . or in some cases make a personal visit.

In Detroit, telephone WOODWARD 2-2100. In other areas, call your nearest Edison Office.

P.S. Mother might be interested in some of their answers right now.
